Honor the American Spirit!

You CAN make a difference!

We are reviving the American Spirit and inspiring communities!

B-17 Alliance gathers and unites communities to Honor the American Spirit.

This world-famous B-17G, the Gas Station Bomber is the heart of a superb educational outreach that utilizes the personal experiences of the Greatest Generation to inspire community.

Less than 50 B-17 Flying Fortresses remain from the 12,731 that were built from 1936 -1945. The Lacey Lady has the lowest air miles of any B-17 in the world. She is one of less than a handful that can fly again. Community support is helping to returned to her original flying glory.

For years veterans have been drawn to her side to tell their stories of valor. The B-17 Alliance Museum collection has archived over 200 WWII Veterans stories. Uniforms and artifacts from the WWII ear tell their stories.

These stories are what make up the growing WWII education center that Honor the American Spirit that brought us to Victory in WWII. The Lacey Lady is the centerpiece for these stories. These stories of true grit inspire generations to Never Forget the sacrifices made for our freedom.

We need your help. Event Sponsors allow more people to join the mission.

Join us today to inspire community to honor the American Sprit that promoted Victory and resulted in the Greatest Generation. B-17 Alliance hosts over onsite and offsite events all year. We want you to be involved.
