The Lacey Lady is the centerpiece for superb education that inspires our communities from the personal experiences of our Greatest Generation.

12,731 B-17s were built from 1936 -1945.
Less than 50 remain in the world.

The Lacey Lady has the lowest air miles of any B-17 in the world.
She is one of the last remaining B-17s capable of flying again.

Our collaborations are Nationwide by a dedicated Crew of Volunteers.

We are building a unique education center that will Never Forget the sacrifices made for our freedom. The personal stories of WWII family make up the B-17 Alliance Museum.

Sponsoring Partners help preserve these family stories.

Connect your company to an Alliance of people who care!

*We can't wait to celebrate the season with you!
Thank you for supporting B-17 Alliance!*
