Join us to inspire our community through historical presentations and engaging activities that will celebrate and "Honor the American Spirit".

Business Vendors must reserve space for displays and/or exhibits by August 1. This event will be advertised across multiple media platforms. This is an Awareness campaign for the B-17 Alliance Museum & Restoration Hangar. The restoration of the WWII B-17G Lacey Lady is a multi-million-dollar non-profit endeavor. This is a family event designed to educate and inspire our community.

Each 10'x10' Vendor/Exhibitor space is \$75. The Vendor/Exhibitor is responsible for providing their tent, tables, and chairs. Tents must be wind resistant to 60 mph. Vendors must carry B-17 Alliance as additionally insured. B-17 Alliance is a 501(c)3 non-profit and reserves the right to limit vendor registration.

B-17 Alliance is restoring one of America's most remarkable World War II aircraft, the former iconic "Bomber Gas Station" landmark from Milwaukie, Oregon. The B-17G Flying Fortress played a pivotal role in the European Theater during WWII, uniting a proud nation.
